

MCS uniform: a visual guide to shoes

We hope that the below guide is helpful in providing further clarification with regards to school shoes within our uniform policy.

If you are unsure about purchasing a particular pair, please feel free to contact us for advice. We trust that parents and carers will err on the side of caution when students are lobbying for purchases that are on the edge of acceptable. We will have 'swappable' shoes for daily loan when students come in wearing footwear that does not meet our uniform policy.

YES - plain black leather or leather-look shoes

(these all happen to have laces but velcro fasteners or slip-ons are also fine.)

NO - these are all trainers or canvas, and/or have a large logo and so are not plain
