

Examination Results 2022 - Year 13 Students

GCE Results Day

Thursday 18th August 2022

You will be able to collect your results 'in person' this year.

Collecting your results from School

Your results will be available for collection at School from 9.30am. They will be distributed from the Main Atrium. Sixth Form staff will be available for further advice and guidance about future pathways and university queries.

If you are sending someone to collect your results on your behalf you will need to provide them with a signed letter authorising them to do so on the day. The letter must identify the person collecting the results and contain your full name, date of birth and candidate number.

Away on Results Day?

All students will receive an email communication to their school Mon email address with examination results on Results Day – therefore, if you are unable to collect your results in person, you will need to make arrangements to access your school email address in order to receive your results. We will email your results to you on your Mon email address from 9.30am. You can log into your email account from the homepage of the school website.

If you are away on Results Day and require advice and guidance about your exam results or next pathway, please complete the request form on the school website for a call from the Sixth Form team. Calls will be returned on the afternoon of the 18th August.
