Signature 5

Physical Education
Conversation with your P.E. teacher if you intend to study Physical Education & Sports Award
Signature 6

Students Should Not Select Art & Design along with Art & Design (Photography)

Every effort has been made to arrange the subjects into columns that give the greatest number of sensible combinations. In December Year 9 students were asked to indicate their possible choices to aid in the construction of these columns. However, it may not be possible to set up a teaching group for a subject in a particular column if too few students choose it. Conversely, numbers may have to be restricted for safety or resource reasons if there is a large demand for a certain subject. Students will be added to option groups as forms are submitted to the school reception; all students are therefore asked to submit, with a reserve choice, when ready. In the very small number of cases where we may have to use this reserve choice, we will notify you so that there can be further discussion, if required.
