Dear Parent,

As part of Monmouth Comprehensive School's Summer Learning activities (**19th – 21st July**) Year 7 will be participating in a number of activities both on and off the school site. These activities are designed to offer different learning experiences to those available within their usual timetable. As a school we are covering the majority of the costs of the events but ask for a contribution of £10 from each child.

Tuesday 19th July.

Students will work at school with outward bounds instructors from the Gilwern Outdoor Centre to try their hand at archery and build their team work skills. They will also focus on their own well being and resilience with their form tutor.

Wednesday 20th July.

Students will explore Caerphilly Castle and Castle Coch with their humanities teachers to discover the differences and similarities between these two castles and their significance to the history of Wales. A packed lunch is required on this day.

Thursday 21st July.

Students will compete with their form group in the Year 7 Athletics Sports Day.

Unless advised by the activity leader, for off site visits students will leave on arranged transport after registration and return in time for home to school transport as normal. **Students do not need to wear school uniform during Summer Learning. Please ensure that students wear clothing suitable for the activity in which they are taking part, including appropriate footwear.**

In accordance with the School's Health & Safety procedure failure to give consent will result in your child not being able to take part in these activities. By law these are activities for which we are unable to make a charge. However, we are asking for a contribution of £10 towards the overall costs of the events.
