Remember these are not your final options.

6th Form Programme

Entry requirements: 6 A* - C grades at GCSE (Level 2) to include English language or Maths. Equivalent qualifications for students from England: 6 GCSE qualifications at Grade 4 or above, to include English language or Maths.

The majority of students will study 4 AS Levels, or the equivalent vocational qualifications, or a combination of these which may include the Skills Challenge Certificate Advanced Level (Welsh Baccalaureate). Course option blocks will be available during February.

GCE AS/A2 Levels & Vocational Qualifications

Please note that course availability is subject to sufficient students expressing an interest in a course.

- **Please check the school's website for all up to date information and amendments.**
- Indicate a **minimum** of four options and a maximum of five in total, from the table below.
- You **must rank the subjects in order of preference** with 1 being the subject you are most likely to take in Y12 and 5 being least likely, by placing the appropriate number in the box to the right of the subject.
- Students may also consider combining vocational qualifications with each other, or with A Level subjects.
- **Course option blocks will be available during February.**

Please, where possible, submit your choices electronically by following this link:
