

Talented Sixth Form MCS students celebrate success

We are delighted with the success of all our students this summer and proud of all the hard work that they and their teachers have put in. 35% of grades achieved this year in Year 13 were at the very top A*/A grades and 84% of students achieved A*- C.

The Director of Sixth Form Studies, Mrs Caroline Guest, said how delighted she was with the work of the students and their determination to succeed.

“Our students leave with the knowledge, skills and experiences to reach their full potential in their next pathway and in life. We are very proud of our students and their achievements. We are a fully comprehensive school and do our very best to support all students succeed. Our students are enormously talented and able in so many fields of study and skill. To be able to work alongside each individual and watch them grow in confidence and ambition is such a rewarding experience for our staff”.

The overwhelming majority of students have secured their first-choice pathway, be that a university place, apprenticeship or other exciting next step in their lives. Students have been accepted onto highly competitive courses such as Aerospace Engineering, Medicine and Architecture. Students have also secured places on higher level apprenticeships, including the Ministry of Defence, a wide range of Russell Group University courses and degrees in Law and Film making.

The Headteacher at MCS, Mr Hutchison, praised the work of students, families and staff in achieving these outstanding results:

“These results are a wonderful achievement for a hugely impressive cohort of students. We have been so impressed with how they have applied themselves to their studies. They all now have the exciting next stages of their lives to look forward to, whether that is the university course of their choice, an apprenticeship, a technical qualification, employment or other adventures. We are delighted to see the results of our highly aspirational and comprehensive ethos. A particular thanks also to all of our staff here at MCS as well as parents and carers for their support of the students and the school.”

If you are interested in joining the Sixth Form at MCS and becoming part of a large, vibrant and successful Sixth Form, please contact Mrs K Jones at Monmouth Comprehensive School 01600 775184/email Kirsten.Jones@monmouth.schoolsedu.org.uk .
