**Risk Assessment – Monmouth Comprehensive School**

**Updated February 2022**

Identified risk	Person(s) at risk	Mitigation of risk	Responsibility
<b>Awareness to procedures and risk</b>	Staff and students	<ol style="list-style-type: none"> <li>1. Safeguarding procedures and health and safety policies have been reviewed and updated. Updated policies have been shared with relevant staff (Reasonable Force and Intimate Care Policies).</li> <li>2. Staff to receive guidance on actions to help minimise the spread of infection – see MCS staff and student protocol documents, staff training planned for WG Staff Planning days.</li> <li>3. Staff to be made aware of the school’s infection control procedures in relation to coronavirus.</li> <li>4. The school keeps up-to-date with advice issued by local authority and Welsh Government.</li> <li>5. Parents informed of the procedures put in place to help keep students safe in school.</li> <li>6. Students made aware of expectations for staying safe in school and what to do if they feel unwell (protocol documents).</li> <li>7. Visitors to the school (including external providers and support agencies) are aware of the procedures in place and have their own risk assessment with their organisation. Risk assessments and Visitor Protocol are shared.</li> <li>8. Meetings should be virtual, where possible.</li> <li>9. Parents should not arrive at school for any unscheduled meetings. Please contact the school to schedule any necessary face to face meetings outside of the school day.</li> <li>10. Any cases of illness, including COVID-19 are to be treated with confidentiality within the agreed team (SLT, DOL and Healthcare) with the exception of sharing information more widely if necessary.</li> </ol>	SLT / All Staff
<b>Implementing ‘social distancing’</b>	Staff and students	<ol style="list-style-type: none"> <li>1. The latest guidance on implementing protective measures in educational settings is made available to staff so that it is followed at all times - <a href="https://gov.wales/school-operations-coronavirus">https://gov.wales/school-operations-coronavirus</a></li> <li>2. Face coverings will no longer be routinely recommended in classrooms. However, the use of face coverings is strongly recommended as good practice for students, staff and visitors when moving around indoor communal areas outside of the classroom, such as corridors, where physical distance cannot be maintained. Class groups are planned in line with published Welsh Government guidelines.</li> <li>3. Classrooms and other learning environments are organised to ensure front facing desks placed side by side where possible. Classrooms will allow a space at the front of the classroom to support school staff to socially distance.</li> <li>4. Unnecessary items are removed from classrooms and other learning environments where there is space to store them elsewhere.</li> <li>5. Thorough cleaning/sanitising of the spaces used will take place at the end of the day.</li> <li>6. Mixing between staff and groups of children in school is minimised by:                         <ol style="list-style-type: none"> <li>a. Students use hand sanitizer as they enter/leave a room (hand sanitiser in the classrooms to support)</li> <li>b. Students to ensure they have their own water / water bottle (water dispensers are available).</li> <li>c. Use of hand sanitizer as students enter the Food Hall servery area.</li> <li>d. Toilet zones form part of the enhanced cleaning schedule. Toilet zones will be cleaned before and after each break in the school day.</li> <li>e. The use of Faculty Bases is limited as staff are still required to socially distance where possible. Additional space is allocated to larger faculties. Faculty Hub spaces will be reinstated with previous furniture, and can also be used for staff workspaces with social distancing in mind.</li> <li>f. It is advisable that car sharing is avoided to reduce the opportunity for transmission (this includes staff and students).</li> </ol> </li> </ol>	SLT / All Staff

COVID Risk Assessment - Monmouth Comprehensive School - Updated 24<sup>th</sup> February 2022

<p><b>Hygiene Practices</b></p>	<p>Staff and students</p>	<ol style="list-style-type: none"> <li>1. The cleaning of non-healthcare settings guidance is understood by relevant staff and followed at all times. For example, all staff wash hands following any cleaning activity; where cleaning products are used, staff to wear appropriate PPE (eg. vinyl or nitrile gloves and aprons).</li> <li>2. Staff should wear goggles if decanting chemicals where there is a risk to splashing in the eyes.</li> <li>3. See Welsh Government Guidance around the use of PPE (up to date guidance will be continually considered), staff requiring PPE to complete appropriate training.</li> <li>4. Non-medical face coverings are to be worn on all public transport and home to school transport, in line with WG guidelines.</li> <li>5. Where students require first aid, staff members must wear appropriate personal protective equipment (e.g. gloves. face mask. visor) whilst administering treatment – designated First Aid cover in place throughout each day.</li> <li>6. Any staff who administer first aid or direct contact with students must immediately wash hands and avoid contact with face until hygiene practices have been observed.</li> <li>7. Individual risk assessments for students with specific needs will be completed to determine any further hygiene practices.</li> <li>8. All tissues and wipes used are to be disposed of in the appropriate way, as per normal practice (with all contents of bins disposed regularly throughout the day).</li> <li>9. All classroom doors which are in use should be kept open in usual circumstances to reduce the need to touch regularly and to increase ventilation (should the fire alarm sound, all doors to be closed on exit by the assigned member of staff).</li> <li>10. Windows should be open where possible to ensure ventilation (mechanical ventilation will continue to be used, as it brings in fresh air).</li> <li>11. Sufficient handwashing facilities are available. Where a sink is not nearby, hand sanitisers in classrooms and on main entry and exit to the building, other learning environments and fixed wall hand sanitisers in communal areas (which are checked daily for supply), including on entry / exit of toilet zones and entry to the Food Hall servery area. Catering facilities have hand sanitizing stations at the entry to the servery area. Touch points within the food hall are included within the enhanced cleaning routine. These will be cleaned before and after all breaks in the school day.</li> <li>12. All adults and students are expected to:             <ol style="list-style-type: none"> <li>a. Wear a suitable face covering when in circulation areas of the school building – face coverings are no longer routinely required to be worn in classrooms;</li> <li>b. frequently wash their hands with soap and water for 20 seconds and dry thoroughly;</li> <li>c. clean their hands on arrival at school, before and after eating, and after sneezing or coughing;</li> <li>d. avoid touching their mouth, eyes and nose;</li> <li>e. not share frequently used equipment (such as pens and pencils between one another);</li> <li>f. use a tissue or elbow to cough or sneeze and use bins for tissue waste ('catch it, bin it, kill it').</li> </ol> </li> <li>13. The School will ensure support is available for students who have trouble cleaning their hands independently eg. See Specialist Resource Base Risk Assessment (this may require staff to wear PPE – gloves, visors / coverings, aprons – where social distancing cannot be maintained).</li> <li>14. Students are encouraged to learn and practise these habits through activity and repetition.</li> <li>15. Bins for tissues are emptied throughout the day - during school breaks and at the end of every day.</li> <li>16. Each child should have their own stationery and other equipment.</li> <li>17. Learners can take shared resources home (i.e. school books); however, any unnecessary sharing should be avoided.</li> <li>18. The amount of resources that are taken and brought in from home is limited.</li> </ol>	<p>Headteacher/ All staff / Site Team</p>

COVID Risk Assessment - Monmouth Comprehensive School - Updated 24<sup>th</sup> February 2022

		<ol style="list-style-type: none"> <li>19. All spaces are well ventilated using natural ventilation (opening windows) and ventilation units (which provide fresh air into the building) where possible.</li> <li>20. Doors to remain open, where safe and appropriate to do so (bearing in mind fire safety and safeguarding), to aid ventilation.</li> <li>21. Posters are displayed throughout the school reminding students and staff to sanitise their hands, eg. before entering and leaving the school.</li> <li>22. Students wash their hands with soap for no less than 20 seconds, following the suggested hand-washing schedule detailed in posters for display and spreading infection guidance.</li> <li>23. Additional alcohol-based sanitiser (which contains no less than 60 percent alcohol) is provided for use where hand washing is not possible.</li> <li>24. Sufficient amounts of soap (or hand sanitiser where applicable), clean water, paper towels and waste disposal bins are supplied in all toilets and kitchen areas.</li> <li>25. Bar soap is not used – liquid soap dispensers are installed and used in all facilities.</li> <li>26. Oversight and prompting of staff to support students in washing their hands to ensure it is done correctly, where necessary.</li> <li>27. Cleaners carry out daily, thorough cleaning that follows national guidance and is compliant with the published guidance.</li> <li>28. Site Team arrange enhanced cleaning to be undertaken where required – advice about enhanced cleaning protocols is sought from the local health team / Atlas Cleaning. The local authority is contacted if there is a shortage of cleaning product supplies.</li> </ol>	
<p><b>Ill Health</b></p>	<p>Staff and students</p>	<ol style="list-style-type: none"> <li>1. Staff, students, parents/carers to be informed of the symptoms of possible coronavirus infection, eg. a cough, difficulty in breathing and high temperature, loss of taste and smell and are kept up-to-date with national guidance about the symptoms and guidance in relation to 'stay at home'.</li> <li>2. Any student who displays signs of being unwell is immediately referred to the designated member of staff (Meeting Room 1 – if symptomatic, Main Atrium if not symptomatic). While waiting to be collected, students will be supervised and ensure social distancing is maintained, accessible toilet behind Reception to be used if needed. If a designated room is used, thorough cleaning will be carried out prior to further use.</li> <li>3. Students displaying symptoms of Covid-19 do not come in to contact with other students and as few staff as possible, whilst still ensuring the student is safe.</li> <li>4. If a member of staff or student presents as unwell with symptoms of Covid-19, the site team are to be called to the room immediately, the room should be evacuated to their outside zone. Any tissues should be placed in the bin. The bin is to be removed immediately, bag to be sealed, labelled and dated and stored in the designated place for 72 hours.</li> <li>5. The relevant member of staff calls for emergency assistance immediately if the student's symptoms worsen.</li> <li>6. The parents of an unwell student are informed as soon as possible of the situation by a relevant member of staff.</li> <li>7. If unwell students are waiting to go home, they are instructed to use different toilets to the rest of the school to minimise the spread of infection (Staff accessible toilet behind Reception). Toilets are to be cleaned immediately after use.</li> <li>8. Medication is not to be administered, unless prescription medication with signed consent, in line with the School Policy.</li> <li>9. If a member of staff displays symptoms of COVID-19, they will report to Staff Support (who informs SLT) and leave the building.</li> <li>10. See unwell protocol for specific detail on the approach.</li> </ol> <p><b>Anyone displaying symptoms of COVID-19 must follow the Welsh Government guidelines - <a href="https://gov.wales/coronavirus">https://gov.wales/coronavirus</a></b></p> <p><b>If a member of staff or student receives a positive test for COVID-19, 'Test, Track, Trace, Protect' protocols will be implemented and contact will be made (Monmouthshire TTP will lead this process). Where relevant and when requested by TTP, school staff will make contact with those tested.</b></p> <p><b>The Disease Outbreak Plan for Wales (2020) Public Health Wales has specific advice on cluster outbreaks – The Track, Trace and Protect Team notify agencies and advice is provided to settings.</b></p>	<p>All Staff</p>
