Statement on the use of Welsh Language

Welsh is taught as a second language to all students at KS3 and KS4, apart from those students who join at KS4 from a school outside Wales and have no prior learning of Welsh. The school has developed a bi-lingualism strategy and an action plan has been produced to support the acquisition of Welsh across the school. The school does not have provision for students to receive their education solely through the medium of Welsh. The Subject Leader for Welsh runs the KS2/KS3 Cluster arrangements to ensure continuity of learning when transferring from Primary to Secondary.

Provision of toilet facilities and cleaning arrangements

We have 66 toilet facilities for students, with an additional 13 accessible toilet facilities and 1 hygiene room.

Cleaning arrangements are in line with our Health and Safety Policy.

Extra-curricular activities

We run a wide range of extra-curricular activities, the details of which can be found [here](#).
