

School Uniform

Overview

The school uniform at MCS was introduced in 2018 after extensive consultation with students, families, staff, governors and others.

Grants to support families with the purchase of school uniform are available on an annual basis. Please click [this link](#) for further information.

All students are required to wear MCS uniform smartly and with pride. The policy applies whilst in school, when travelling to and from school and when in the local community.

- Blazers must be worn, except in class when permitted by a member of staff.
- Shirts must be tucked in.
- Trousers must reach the top of the shoe.
- Non-uniform items are not permitted. This includes non-uniform jumpers and hoodies, which are liable to be confiscated if worn onsite at any time.
- Bags must be of a good enough size to hold several books and all required equipment.

Suppliers

All Items are available from School Uniform Shop at Ross Labels, from Trutex Direct, or online: www.SchoolUniformShop.co.uk

Branded items

Branded items (Blazer, tie, PE tops) must be bought from the above suppliers.

Generic items

Generic items such as shirts, blouses, trousers and skirts can be bought from the approved supplier. Families are also welcome to purchase these generic items from other retailers as long as they are an exact style and colour match to the MCS uniform. Please check against the generic items on the official supplier websites to ensure that they match.

No obvious logos are permitted. Other styles and/or colours from other retailers are not acceptable uniform (e.g. the blue for PE shorts is a navy blue, not royal blue or mid blue). If in doubt please enquire

with us before purchasing.

Gender neutral uniform

MCS uniform is gender neutral. Suppliers currently refer to 'boys' and 'girls' uniform, and this is noted below only for clarity of reference for students and families whilst ordering. Students and families are at liberty to select the compulsory uniform from the full range of items outlined below.

Summer Uniform

Summer uniform at MCS entails students not being obliged to wear their blazers to school. Summer uniform starts at the start of the summer public examination period. The precise date varies and is announced annually to students and families.

Compulsory items

Plain coat – no designer labels or hooded jumpers are to be worn.	These can be purchased from any retailer	

School shoes

We appreciate that there is a certain amount of overlap and interpretation over what constitutes a shoe rather than a trainer. Therefore, we hope that the following is a helpful guide:

- School shoes must be plain – no obvious logos, tags etc.
- Shoes must be entirely black.
- Shoes must be leather or leather-look. They must be polishable.
- No suede, canvas etc. as these types of footwear are less robust and less waterproof.

- Some sports brands (such as Nike, Adidas, etc.) offer shoe-like footwear as part of their range. Whilst we cannot list every model of footwear that is or is not appropriate, we are aware that models such as Nike Air Force 1 are popular. If this particular model is bought then please could the silver tag at the front be removed, and the shoe be polished.
- As with any aspect of school uniform, please ask for advice before purchasing if in any doubt.

Jewellery

- No facial jewellery - No piercing of eyebrow, lip, nose, tongue, chin, etc. No facial jewellery of any type is permissible.
- No magnetic jewellery of any type is permitted.
- One pair of stud type earrings. Ear studs may be worn but not rings or other styles. 'Stretcher' style earrings, spikes and flesh tunnels are not permitted.
- One necklace, to be worn underneath shirt or blouse.
- One 'band' type ring and/or a wristwatch.
- No other jewellery or tattoos are permissible.

Hair and make up

Hair colour should be either natural or dyed one natural colour. 'Dip-dyed' or Ombre hair is not permitted.

No bleaching, extreme colour or extreme styles such as tram lines.

Make-up should look natural and with no extremes.

Nail varnish should be a natural colour. False nails are not permitted.

Additional notes

Students are required to ensure that they wear their uniform in the way set out in this Policy, and that that they immediately correct any uniform infractions that are identified by staff.

No single Uniform Policy can guarantee to cover every possible eventuality, and MCS reserves the right to use professional judgement to determine what is or is not appropriate uniform.

Confiscation of non-uniform items is usually for one day in the first instance and for multiple days thereafter. This is at the discretion of the School.

Refusal to meet uniform expectations will be treated under the Behaviour Policy as refusal to follow the direction of the School, and sanctions will be applied at the discretion of the School.

Any medical exceptions require a letter from the hospital or G.P. before any exemptions are made. The Form Tutor or Wellbeing Team should be contacted to discuss any concerns.

This Policy complies with all aspects of the *Statutory guidance for school governing bodies on school uniform and appearance policies 2019*.
